Introduction

All praise is due to Allah, the one who guided us to his righteous path and for sending us our beloved Prophet, Muhammad, may peace be upon him and on his family and companions and on all who follow him till the Day of Judgment.

The intention for writing this book was to briefly explain to the reader, what witchcraft is, how to protect from it and what to do nullify it, if you were the unfortunate victim of its evil. The objective was to compile a complete resource guide that will include all the needed divine tools to ward off and or recover from Sorcery, envy Insomnia, anxiety, depression and other ailments, using only authentic resources derived from the Quran and the sayings of the Prophet, peace be upon him.(p.b.u.h)

And to make it easier for those who can not read the Arabic Quranic text, I have listed a website one can go to and download the required verses and supplications in an MP3 audio file format in the hope that it will help the reader recite and memorize at their convenience.

Lastly, I pray to Allah, that the sequence of this book will be beneficial to the understanding of this topic and pray that the reader will adhere to the listed preventative measures, which if applied, Insha Allah, will prevent all types of magic spells, possessions and other ailments.

Angels and Jinns

Before we discuss the subject of Witchcraft and Sorcery, I thought it would be essential and highly beneficial, if the reader was introduced to the other unseen creations of **Allah**.

First, to the non-Muslim readers, let me take the opportunity to clarify a misunderstanding. Contrary to what many non-Muslims think, **Allah** is not a new God, which is only being worshipped by the Muslims, far from it. Simply stated, **Allah** is the Arabic word for “God” translated to the English language. But, more accurately, **Allah** is the actual **personal** name of God, which, has been prayed to and called upon, by the Arabic speaking Jews and Christians for hundreds or even thousands of years before the advent of Islam.

With this being clarified, let us move on to the important topic of the unseen creations of Allah, by gaining knowledge to this fact, the reader will have an easier time understanding the main topic of this book.

Let’s begin by asking who is watching us? Of course, the answer that comes to mind should be Allah, which is supported by the following verse: -

(وَهُوَ مَعَكُمْ أَيْنَ مَا كُنْتُمْ وَاللَّهُ بِمَا تَعْمَلُونَ بَصِيرٌ)
سورة الحديد 4

*“And He is with you, where so ever ye may be.
And Allah is Seer of what ye do.”
Quran 57:04*

Now, if I ask, is there anyone else watching us? Well, the answer is still yes! The Quran reports that before the

creation of Adam, peace be upon him, Allah, created two other beings namely Angels and Jinns. The following verses convey to us the nature of Man, and Jinn and reports of Allah's command to the Angels and Eblees (the devil) to prostrate to Adam, peace be upon him.

(خَلَقَ الْإِنْسَانَ مِنْ صَلْصَالٍ كَالْفَخَّارِ وَخَلَقَ الْجَانَّ مِنْ مَّارِجٍ مِّن نَّارٍ)
سورة الرحمن 14, 15

*“He created man of clay, And He created
Jinns from fire free of smoke”
Quran 55:14-15*

(وَإِذْ قُلْنَا لِلْمَلَائِكَةِ اسْجُدُوا لِآدَمَ فَسَجَدُوا إِلَّا إِبْلِيسَ كَانَ مِنَ الْجِنِّ)
سورة الكهف 50

*“ Behold! We said to the angels, "Prostrate down to Adam":
They Prostrated down except Eblees. He was one of the
Jinns” Quran 18:50*

Due to his arrogance and refusal to prostrate to Adam, p.b.u.h, as commanded by Allah, the creation of Adam, p.b.u.h, did not turn out to be a happy ending for “*Eblees*”. (*Eblees is the actual name of the Devil*) Hence, the following verse reports the exact moment when Allah declared Eblees and all disbelieving Jinn to be enemies of the human race, as stated by the Quran: -

(وَإِذْ قُلْنَا لِلْمَلَائِكَةِ اسْجُدُوا لِآدَمَ فَسَجَدُوا إِلَّا إِبْلِيسَ أَبَى , فقلْنَا يَا آدَمُ
إِنَّ هَذَا عَدُوٌّ لَّكَ وَلِزَوْجِكَ)
سورة طه 115 , 116

“When We said to the angels, "Prostrate yourselves to Adam", they prostrated themselves, but not Eblees: he refused. Then We said: "O Adam! verily, this is an enemy to thee and thy wife.." Quran: 20:115-116

(فَسَجَدَ الْمَلَائِكَةُ كُلُّهُمْ أَجْمَعُونَ 73 إِلَّا إِبْلِيسَ اسْتَكْبَرَ وَكَانَ مِنَ الْكَافِرِينَ 74 قَالَ يَا إِبْلِيسُ مَا مَنَعَكَ أَنْ تَسْجُدَ لِمَا خَلَقْتُ بِإَيْدِيَّ اسْتَكْبَرْتَ أَمْ كُنْتَ مِنَ الْعَالِينَ 75 قَالَ أَنَا خَيْرٌ مِمَّنْ خَلَقْتَنِي مِنْ نَارٍ وَخَلَقْتَهُ مِنْ طِينٍ 76 قَالَ فَاخْرُجْ مِنْهَا فَإِنَّكَ رَجِيمٌ 77 وَإِنَّ عَلَيْكَ لَعْنَتِي إِلَى يَوْمِ الدِّينِ 78 قَالَ رَبِّ فَأَنْظِرْنِي إِلَى يَوْمٍ يُبْعَثُونَ 79 قَالَ فَإِنَّكَ مِنَ الْمُنْظَرِينَ 80 إِلَى يَوْمِ الْوَقْتِ الْمَعْلُومِ 81 قَالَ فَبِعِزَّتِكَ لَأُغْوِيَنَّهُمْ أَجْمَعِينَ 82 إِلَّا عِبَادَكَ مِنْهُمُ الْمُخْلِصِينَ 83 قَالَ فَالْحَقُّ وَالْحَقُّ أَقُولُ 84 لَأَمْلَأَنَّ جَهَنَّمَ مِنْكَ وَمِمَّن تَبَعَكَ مِنْهُمْ أَجْمَعِينَ 85)

سورة ص

“So the angels prostrated themselves, all of them together: Not so Eblees: he was haughty, and became one of those who reject Faith. (Allah) said: "O Eblees! What prevents thee from prostrating thyself to one whom I have created with my hands? Art thou haughty? Or art thou one of the high (and mighty) ones?" (Eblees) said: "I am better than he: thou created me from fire, and him thou created from clay."

*(Allah) said: "Then get thee out from here: for thou art rejected, accursed. "And My curse shall be on thee till the Day of Judgment." (Eblees) said: "O my Lord! Give me then respite till the Day the (dead) are raised." (Allah) said: "Respite then is granted thee- "Till the Day of the Time Appointed." (Eblees) said: "**Then, by Thy power, I will deviate everyone of them** Except, Thy Servants amongst them, sincere and purified (by Thy Grace)."*

(Allah) said: "Then it is just and fitting- and I say what is just and fitting- That I will certainly fill Hell with thee and those that follow thee, - every one." Quran 38:73-85

Hence, if we go back to the original question, Allah provides us with the following summarized historical answer concerning the Devil and the ability of the Jinn race in general: -

” يَا بَنِي آدَمَ لَا يَفْتِنَنَّكُمُ الشَّيْطَانُ كَمَا أَخْرَجَ
أَبَوَيْكُمْ مِّنَ الْجَنَّةِ يَنْزِعُ عَنْهُمَا لِبَاسَهُمَا لِيُرِيَهُمَا سَوْءَاتِهِمَا
” إِنَّهُ يَرَاكُمْ هُوَ وَقَبِيلُهُ مِنْ حَيْثُ لَا تَرَوْنَهُمْ
سورة الأعراف 27

“O Children of Adam! Let not Satan seduce you as he caused your (first) parents to go forth from the Garden and tore off from them their robe (of innocence) that he might manifest their shame to them. **Lo! He (the Devil) Seeth you, he and his tribe (The Jinn race), from a position where ye cannot see them**” Quran 7:27

By now, I hope the reader has gained a quick and brief understanding to our creation history and an insight to the endless animosity posed by the devil and his Jinn followers towards Humanity. Never the less, and before I go any further, I think it will be beneficial to the reader to list a comparison between the nature and powers granted by Allah to the Angels and Jinn race.

Regarding the nature of Angels, it was reported and authenticated by Imam Muslim that the Prophet, peace be upon him, said:-

“He (Allah) created the Angels from Light and created the Jinn from Smokeless Fire and created Adam from what he Described to you.” Refers to the clay verses in the Quran.

Using the previously mentioned verses along with other authentic Hadith sources, I came up with the following table by which the reader will be able recognize that the angels are superior and more powerful than the Jinns.

Angels	Jinns
<ol style="list-style-type: none"> 1. Created from pure light. 2. Not granted free will, nor it is in their nature to disobey Allah. 3. Ability to fly, change form and or appearance. 4. They do not eat, drink, marry, procreate and or have nature calls. 5. They perform specific duties assigned by Allah. 6. Angels are soldiers of Allah, cannot be defeated by Jinns or anyone else. 	<ol style="list-style-type: none"> 1. Created from smokeless fire. 2. Granted free will, to obey or disobey Allah. 3. Ability to fly, change form and or appearance. 4. They eat, drink, marry, procreate and have nature calls. 5. Disbelieving Jinn serve Satan.(Eblees) 6. They serve disbelieving humans who call on them to harm others using witchcraft." <i>Only if Allah allows it</i>"

With the above comparison in mind, let's take a closer look on a specific assigned duty performed by angels, which directly affect our personal well-being and safety. Because of the threat posed by the devil and his followers of disbelieving Jinns, Allah has appointed a total of **Six angels** to every human being **regardless**, if he/she is a Muslim or Not. **Four** of them are guardian angels, mainly to protect us from the Jinn and other daily worldly activities we do; while the remaining **two** angels are assigned to record all of our good/bad deeds and or intentions until our departure from this world. As we read in the following verses: -

(لَهُ مُعَقَّبَاتٌ مِّنْ بَيْنِ يَدَيْهِ وَمِنْ خَلْفِهِ يَحْفَظُونَهُ مِنْ أَمْرِ اللَّهِ)

سورة الرعد 17

"For each, there are (angels) in succession, before and behind him: They guard him by command of Allah." Quran 13:11

(إِذْ يَتَلَقَّى الْمُتَلَقِّيَانِ عَنِ الْيَمِينِ وَعَنِ الشِّمَالِ قَعِيدٌ 17

مَا يَلْفِظُ مِنْ قَوْلٍ إِلَّا لَدَيْهِ رَقِيبٌ عَتِيدٌ 18)

سورة ق

Behold, two (guardian angels) appointed to record (his doings), one sitting on the right and one on the left. Quran 50:17

Lastly, it should be mentioned that each human being has also been assigned a devil to whisper and or tempt them into mischief. This ongoing whisper and temptations will continue till the Day of Judgment as it was reported in the following verses: -

(قَالَ فَبِعِزَّتِكَ لَأُغْوِيَنَّهُمْ أَجْمَعِينَ 82 إِلَّا عِبَادَكَ مِنْهُمُ الْمُخْلَصِينَ 83)

سورة ص

(Eblees ,i.e. the Devil) said: "Then, by Thy power, I will put them all in the wrong, "Except Thy Servants amongst them, sincere and purified (by Thy Grace)."

Quran 38:82-83

" ثُمَّ لَأَنزِلَنَّاهُمْ مِنْ بَيْنِ أَيْدِيهِمْ وَمِنْ خَلْفِهِمْ وَعَنْ أَيْمَانِهِمْ

وَعَنْ شَمَائِلِهِمْ "

سورة الأعراف 17

"Then will I assault them from before them and behind them, from their right and their left:"

Quran 7:17

" وَقَيَّضْنَا لَهُمْ قُرَنَاءَ فَزَيَّنُوا لَهُمْ مَا بَيْنَ أَيْدِيهِمْ وَمَا خَلْفَهُمْ "

سورة فصلت 25

" And We have assigned for them companions (in this world), who made alluring to them what was before them and behind them" Quran 41:25

" وَمَنْ يَعْشُ عَنْ ذِكْرِ الرَّحْمَنِ نُقَيِّضْ لَهُ شَيْطَانًا فَهُوَ لَهُ قَرِينٌ "

سورة الزخرف 36

" And he who lives away from the remembrance of the Beneficent, We assign unto him a devil who becometh his comrade" Quran 43:36

After reading the above verses, we get a pretty good idea that the devil and his disbelieving Jinns mean business and they will do what ever they can to harm and or tempt as many of us into hell fire with them.

Now, with this background in mind, I believe it is time to go into the subject of this book.

Witchcraft and Sorcery

Ever since the creation of Adam, p.b.u.h, mankind across the ages and to this day fear disease, poverty, envy, superstition, and what the future holds. Feeding on these fears, those with wicked hearts and lust for power, discovered then resorted to the help of the Jinn to teach them Witchcraft and Sorcery, thinking, this is the ultimate and sure way to power and prosperity.

As a result, witchcraft, sorcery and all types of magic, black or so called white magic, is being pursued, learned or used by those wicked people with the aim to achieve or enhance their own personal worldly gains, mainly through the aid of the Jinn to implement and cause harm to mankind.

Briefly stated, sorcery is the deception or illusion of the senses and or the nerves of an observer or a bewitched individual, instigated by a sorcerer, firstly, through the use of specific satanic incantations and or spells, secondly, by assigning a devil from the Jinn to possess and or enforce the magic spell on the targeted victim.

To be a victim of sorcery is considered to be one of the worst diseases someone to be inflicted with and anyone is prone to its harm, of course, Only if Allah allows it.

"وَمَا هُمْ بِضَارِّينَ بِهِ مِنْ أَحَدٍ إِلَّا بِإِذْنِ اللَّهِ"
سورة البقرة 102

"But they could not harm anyone except by Allah's permission." Quran 2:102

For this reason, Allah clearly states in the Quran that it is forbidden to utilize or learn **Witchcraft** and warns those who learn or resort to it, they will not profit from it and, in fact,

Sorcery will lead to blaspheme and is a guaranteed path to hell fire. As we read in the following Quranic verses:-

" وَيَتَعَلَّمُونَ مَا يَضُرُّهُمْ وَلَا يَنْفَعُهُمْ "

سورة البقرة 102

"And they learned what harmed them, not what profited them."

Quran 2:102

" فَيَتَعَلَّمُونَ مِنْهُمَا مَا يُفَرِّقُونَ بِهِ بَيْنَ الْمَرْءِ وَزَوْجِهِ "

سورة البقرة 102

"They learned from them the means to sow discord between man and wife."

Quran 2:102

" وَلَقَدْ عَلِمُوا لَمَنِ اشْتَرَاهُ مَا لَهُ فِي الْآخِرَةِ مِنْ خَلَقٍ وَلَبِئْسَ مَا

شَرَوْا بِهِ أَنْفُسَهُمْ لَوْ كَانُوا يَعْلَمُونَ "

سورة البقرة 102

"And they knew that the buyers of (magic) would have no share in the happiness of the Hereafter. And vile was the price for which they did sell their souls, if they but knew"

Quran 2:102

In addition to the Quranic verses, the prophet, (p.b.u.h), reported that practicing witchcraft is a Major sin and prohibited in Islam.

عن أبي هريرة أن رسول الله صلى الله عليه وسلم قال اجتنبوا السبع الموبقات قيل يا رسول الله وما هن قال الشرك بالله والسحر وقتل النفس التي حرم الله إلا بالحق وأكل مال اليتيم وأكل الربا والتولي يوم الزحف وقذف المحصنات الغافلات المؤمنات صحيح مسلم

Abu Huraira Narrated: The Prophet (p.b.u.h) said, "Avoid the seven great destructive sins." The companions enquired, "O Allah's Apostle! What are they?" He said, "To join others

*in worship along with Allah, to **practice sorcery**, unlawfully take a life, eat Riba (usury), eat the property of an orphan, run away from the battlefield, and falsely accuse chaste women..” Sahih Muslim*

Lastly, the prophet, (p.b.u.h), warned those who seek Witches, Warlocks, Fortune Tellers or people who proclaim knowledge of the future by talking with the dead, or calculating and reading astrology, horoscope, signs, crystals, numbers, cards, palms, stones, shells, coffee and tea grounds, use or wear magic amulets or any similar satanic verses and methods, they are not considered followers of Him, p.b.u.h., meaning, it is an act of kufr, blaspheme against Islam.

وفي رواية أحمد والحاكم عن أبي هريرة
" من أتى عرافا أو كاهنا فصدقه بما يقول فقد كفر بما أنزل
على محمد "

It was reported that Abu Huraira Narrated: The Prophet (p.b.u.h) said, Whom ever approaches a magician or a fortune teller and "followed his instructions" or "believed him" , then this person rejects the revelation of Allah which was brought by Muhammad."

By Ahmed and Al Hakem

Witches and Warlocks

Witches and Warlocks are women and men who practice sorcery and partner and serve the wishes of the Devil. Their main aim is to cause harm and to spread misguidance and evil unto others, while seeking to satisfy their own **lust** for greed and wealth **regardless** if it conflicts with **divine laws or decency**. Hence, it must be noted that the devils among the Jinn, will not teach nor serve a person until he/she rejects Allah, and to demand of him or her to perform specific rituals, and blasphemous acts against Allah and the Quran. In addition, the Jinn will perform indecent acts on them. Furthermore, the would be sorcerer, must prostrate, worship and obey his devil Jinn master. Only then, the devil will serve the wishes of the sorcerer, by teaching him magic, bringing him food, drinks, money, take him to far away places, help him to deceive people by doing seemingly supernatural acts like raise him in the air, appears to pass swords and other objects through his body, walk through fire, brings or whispers to him of hidden or lost things, which, may appear to the average person that this sorcerer knows the unseen or can tell the future, etc. Basically, this is achieved by Jinns talking and conspiring with each other, to convey and report what they've seen or heard somewhere, however, they will lie or add to what they heard or knew, for the purpose of creating more confusion, hatred, animosity and harm to others, in addition, the sorcerer will learn how to **Bewitch** the eyes of the people, with the aid of the Jinn, so people will see things not as they are. As to what was reported between Moses, p.b.u.h, and the sorcerers during the time of the Pharaoh of Egypt. The Quran reported that the sorcerers bewitched the eyes of the people; making the people think the sorcerer's sticks and ropes turn into snakes. However, when Allah told Moses, p.b.u.h, to throw his stick, the sorcerers saw the stick actually turned to a live snake and

ate their ropes and sticks, it was then, the sorcerer realized that Moses was not a magician and he is the prophet of Allah and asked Allah to forgive them for their previous transgressions, as Allah reveals in the following verses:-

قَالُوا يَا مُوسَى إِمَّا أَنْ تُلْقِيَ وَإِمَّا أَنْ نَكُونَ أَوْلَ مَنْ أَلْقَى 65 قَالَ بَلْ
أَلْفُوا فَإِذَا حِبَالُهُمْ وَعَصِيُّهُمْ يُخَيَّلُ إِلَيْهِ مِنْ سِحْرِهِمْ أَنَّهَا تَسْعَى 66
فَأَوْجَسَ فِي نَفْسِهِ خِيفَةً مُوسَى 67 قُلْنَا لَا تَخَفْ إِنَّكَ أَنْتَ الْأَعْلَى 68
وَأَلْقَ مَا فِي يَمِينِكَ تَلْقَفْ مَا صَنَعُوا إِنَّمَا صَنَعُوا كَيْدٌ سَاحِرٌ وَلَا يُفْلِحُ
السَّاحِرُ حَيْثُ أَتَى 69 فَأَلْقَى السَّحْرَةَ سُجَّدًا قَالُوا آمَنَّا بِرَبِّ هَارُونَ
وَمُوسَى 70

سورة طه

*They said: "O Moses! whether wilt thou that thou throw
(first) or that we be the first to throw?"*

*He said, "Nay, throw ye first!" Then behold their ropes and
their rods-so it seemed to him on account of their magic -
began to be in lively motion! So Moses conceived in his mind
a (sort of) fear. We said: "Fear not! for thou hast indeed the
upper hand: "Throw that which is in thy right hand: Quickly
will it swallow up that which they have faked what they have
faked is but a magician's trick: and the magician thrives not,
(no matter) where he goes."*

*So the magicians were thrown down to prostration: they
said, "We believe in the Lord of Aaron and Moses". Quran
20:65-70*

*"For us, we have believed in our Lord: may He forgive us
our faults, and the magic to which thou didst compel us: for
Allah is Best and Most Abiding." Quran 20:73*

Types of Magic

There are many types of magic spells; thus, as previously stated, they basically fall under two parts, the first which is initiated or performed by a sorcerer and the second part is implemented or enforced by a devil of the Jinn. Some of these spells are made to cause animosity or love between individuals, some target body parts to ache or not function properly, such in a couple's inability to consummate their marriage, some to stop individuals from getting married, some to stop individuals from being productive or become lazy, and some to make a person see things to lose his mind and some to force a Jinn to possess someone.

The types of magic mentioned above are mostly initiated or administered by incantations or spells which is unknowingly taken by the victim while eating or drinking, or by breathing it through some kind of vapor or incense, or when a sorcerer blows on knots and or by spraying or spreading it over areas the victim lives or walks over, or by using physical bodily samples and or personal items of the victim and or even trigger the magic during specific time or a movement of a star or a moon phase.

Identifying bewitched victims

It is not an easy task to differentiate between a victim of magic and person who have been envied because the symptoms could be similar. First let's explain envy. Envy is when someone gives you an evil eye by saying, looking or even silently wishing that he/she has what you have and you No longer have it. This applies to everything, good health, good looks, nice body, nice eyes, good job, nice car, nice kids, etc. Envy is mentioned in the Quran and in the coming pages I will list the verses that will protect you from envy or evil eyes.

Symptoms of being bewitched

The following are the known symptoms and or behaviors displayed by individuals who may have been afflicted with magic and or possessions: -

Note:

It is important that you first seek and be examined by a medical doctor, just to confirm, that you do not have a physical or chemical ailment that can be diagnosed and treated by common medicine.

1. Bad smell comes out from the mouth, scalp, womb, or from the body in general, which is noticeable by the victim and the ones around him, smell will come back, regardless to amount of times the victim showers.
2. Sudden change of victim's mood from kindness to hatred, health to sickness, from worship to disobedience, happiness to anxiety or depression, from patience to anger. Complains of seeing nightmares and when wakes up senses a shadow moving quickly, may see things while awake, may hear someone talking to him.
3. Pain and appearance of blue or bruised spots normally in areas of magic in body.
4. Compelled to say or do things beyond his/her control and may complain of fear.
5. Pain in the stomach, womb, in the lower back and sudden weak or no vision.
6. Does not want to hear the Azan, the Quran, or approach water nor pray.
7. If someone recites Quran, the victim will not make eye contact, will look up or down, may cry, tremble, complains of feeling as if a small ball moving in his/her throat or air bubbles in the abdomen, and/or, of heat internally, also will demands that you stop reciting the Quran.

Protection and Treatment

Simply said, the best treatment begins with prevention. By increasing the lines of defense between you and the devil, the harder it is for him to penetrate and reach you. Furthermore, the closer you are to keeping the commandments of Allah, the most likely; it is that, Allah will protect you from any harm coming your way. Soon, I will be listing a few action items, which if adhered to; it will enhance and increase your shield against the Devil and his followers. In the meantime, let me list what was revealed regarding the healing powers of certain foods, plants and therapies, some of which will be used to treat victims of bites, poison, sorcery and other diseases.

Healing Foods and Plants

Black Seed

Is known commonly in Arabic as Habbat-ul-Baraka or habba alsawdah and in English is known as, Nigella Sativa, black cumin, and or black caraway. One can ground or chew then swallow. also it can be purchased and taken in capsule or oil extract form. The following Hadith sums it up pretty well, it was reported that the Prophet, p.b.u.h, to have said: -

“ إن في الحبة السوداء شفاء من كل داء إلا السم ”
أخرجه مسلم

” *In this Black Seed*” *Healing to all ailments*”,
except Death.”
(Muslim)

Dates

The Prophet, p.b.u.h, specifically, mentioned the eating of Ajwa dates (*lean dates from Madina is preferred*) before anything else, is a preventative measure to **Magic Spells** and **Poison** for that day, some scholars also suggested if taken at night, can be a preventative measure till day break.

(عن النبي صلى الله عليه وسلم قال من تصبح
سبع تمرات عجوة
لم يضره ذلك اليوم سم ولا سحر)
أخرجه البخاري ومسلم

*"Whosoever takes seven 'Ajwa dates in the morning,
neither magic nor poison will hurt him that day."
(Bukhari & Muslim)*

Honey

Allah specifically mentioned that honey has in it a cure to mankind. If you are a health conscious individual, then I highly recommend taking Honey, along with and Ajwa dates and the black seed on a daily basis.

(يَخْرُجُ مِنْ بُطُونِهَا شَرَابٌ مُخْتَلِفٌ أَلْوَانُهُ
فِيهِ شِفَاءٌ لِلنَّاسِ
إِنَّ فِي ذَلِكَ لَآيَةً لِّقَوْمٍ يَتَفَكَّرُونَ)
سورة النحل 69

*"From within their bodies a drink of varying colours, in it
a healing for mankind: verily in this is a Sign
for those who give thought."
Quran 16:69*

Hujama

It is a physical procedure that will **cure** many types of diseases and will extract and expel **magic spells** from the body. It was recommended by the Prophet, p.b.u.h, to be performed on the 17th, 19th or 21st day of the Islamic lunar calendar, **Never** on a Wednesday, Friday, Saturday or Sunday. The following reports the importance of Hujama: -

(ما مرت ليلة أسري بي بملا
إلا قالوا يا محمد مر أمتك بالحجامة)
سنن ابن ماجه

*“ During the night of ascension, I did not pass
a group of Angels, Unless, they said
“ Order your nation to do Hujama.”
(Ibn Majah)*

Treating Anxiety and Depression

Almost all anxieties and or depressions are due to a chemical psychological or allergic imbalance and or reaction, which can be diagnosed and treated, God willing, by most medical doctors. It is also reported that most depressions and or anxieties could be prevented by avoiding being stuck in a systematic daily routine. Try to be active with your family, friends, community or even take up a hobby; these can be great preventative measures. However, if a medical attention is required, then I suggest that you stay on your medicine while adhering to the following spiritual remedies, which was revealed to us by Allah through our prophet p.b.u.h.

Those afflicted with anxiety or depression may have some or all of the following symptoms: -

Feel tired, lazy, sad, feeling hopeless, have no desire to do anything, feel anxious, cry, hardly sleep or may sleep too much, have nightmares, may complain of hearing or seeing things, fearful, especially sudden fear of death, or feeling like their heart will stop, or can't breath, and all other types of subconscious anxiety and or fears. These symptoms could also be a product of magic, which was initiated by a sorcerer and implanted or enforced by the Jinn.

The treatment begins, when the afflicted person puts his/her **trust in Allah** and to **never give up** nor ever **give in** to the subconscious whisper of the Jinn. Hence, for example, let's use the fear of death symptom to expose the tricks of the devil. First of all, the victim must know that the Jinn can not do anything, unless Allah allows. In addition, it is not up to the Jinn when someone is born or dies. Remember, if it was up to the Jinn, they would have killed us all already. As you've read earlier, the devil envies and despise mankind yet, he can't do much about it; Once we simply remind ourselves to what Allah revealed regarding the guardian angels assigned to each one of us. This fact alone, should immediately give us courage and reduce or eliminate this type of anxiety attack one may be experiencing.

Furthermore, Allah did not give us the power to stop our hearts nor our breathing. These two functions are involuntary another word, these are controlled by Allah therefore, life and death is in Allah's hands alone. For instance, we hear many cases of people been stabbed, shot or even fallen from high places, yet they do not die. Normally or logically they should, right? Yes, but we all must remember this, ***Allah is not constrained by the physical or natural laws, HE, created for us in this universe.*** It is as simple as that.

Therefore, what ever the circumstance is, life and death is in the hands of Allah alone. So let me assure the victim of depression and or anxiety **To feel at ease! Nothing will happen to you.** No matter how much the devil whispers in your head. Your heart and breathing will not stop. That's not all, because of your perseverance and patience, Allah will heal you from what ever depression and or anxiety you may have. On top of this, you will come out of it with a stronger believe in Allah and a higher awareness and understanding to the sly tricks of the devil.

Now let's move on to the spiritual treatment of depression and Anxiety. First, remember that prevention is the best treatment to all ailments. " See Strengthen your shield list. "

Second, recite the following verses and supplications *as much as you can* on daily basis. Insha Allah, your feeling of anxiety and or depression will be removed:-

بِسْمِ اللّٰهِ الرَّحْمٰنِ الرَّحِیْمِ

" اللّٰهُ لَا إِلَهَ إِلَّا هُوَ الْحَيُّ الْقَيُّومُ لَا تَأْخُذُهُ سِنَةٌ وَلَا نَوْمٌ لَهُ مَا فِي السَّمَاوَاتِ وَمَا فِي الْأَرْضِ مَنْ ذَا الَّذِي يَشْفَعُ عِنْدَهُ إِلَّا بِإِذْنِهِ يَعْلَمُ مَا بَيْنَ أَيْدِيهِمْ وَمَا خَلْفَهُمْ وَلَا يُحِيطُونَ بِشَيْءٍ مِّنْ عِلْمِهِ إِلَّا بِمَا شَاءَ وَسِعَ كُرْسِيُّهُ السَّمَاوَاتِ وَالْأَرْضَ وَلَا يَئُودُهُ حِفْظُهُمَا وَهُوَ الْعَلِيُّ الْعَظِيمُ" سورة البقرة 255

Haunting

We have come to a subject that needs to be addressed due to its relative closeness to the main topic of this book. In the non-Muslim world, the term "Haunted" may be heard; used and even understood completely different from their counterparts in the Muslim world. In non-Muslim countries, they think or believe that haunted houses or places are a result of a **lost spirit** that is, for some reason or another, lost its way back to the creator! Or due to some unfinished earthly business the spirit can't depart! Of course, this is far from the truth, according to the Quran, the Angel of Death, is the one assigned to take our lives when the time comes, this can neither be delayed, bargained with nor can the soul escape and decide to stay somewhere on Earth in order to complete some unfinished business.

So exactly what is haunting? First off it is phenomenon of the Jinn. Second, the reader should know that the Jinn do use and share our world too, and even though, they would rather live in abandoned areas away from humans, they may decide to live in our dwellings, or for example, if someone moves into a dwelling which is already being occupied by the Jinn, then they will try to create all types of mischief in the hope that the new human tenant move out, hence, the term "Haunted House" is appropriately applied. Hence, haunting can occur if and when the Jinn decide to take up residence in areas used or unused by humans. That is why the Prophet, p.b.u.h, forbids us from living in places with excess unused rooms. Meaning the areas you do not use, the Jinn will occupy with their families. Therefore, do not

purchase or move into a 5 room dwellings knowing, you will only use 3 rooms.

The following actions will expel and prevent devil Jinns from haunting a dwelling: -

1. Make Azzan (The call to prayers) preferably; before you move into your new home, however, if you did not, you still can make Azzan afterwards. The Azzan is your warning to all Jinns that a Muslim will be moving in. The Jinn are aware of your rights, if they do not leave, they know you can make their stay a miserable one. As a result, all non-Muslim Jinns will leave.
2. Recite the complete Surat “Al Baqura” 2 Sura of the Quran, this Sura should be recited every **three days** or as much as you like. The prophet, p.b.u.h, said “The devil can not enter a home, this Sura, was recited in” Meaning, it will also expel devils that are haunting an area it was recited at.
3. You and your family recite **Fatha, Aytul Kursi** and the last **3** short Suras.
4. You and your family try to stay on Wudu.
5. Never hang pictures, statues and keep dogs in your home.
6. Say “**Salamu Alikum**” every time you enter your home.
7. Say “**Bissmilallah**” before you eat or drink.
8. The devils reside in the bathrooms, therefore Say” **Aouzu billah min Alkhoub wal khaba es**” before you enter and anytime you take your clothes off.
9. Married couples must recite the previous and the following supplication before they approach each other “**Bissmillah, Allah-huma Janibna AL Shai-ttan was Janib AL Shai-ttan Ma Razaqtina**”

Magic and Magic Spells

Remember, Prevention is the best treatment to all ailments.
“see *Strengthen your shield list.*”

The following are the Quranic verses, Insha Allah, one may recite, in order for a magic Spell is nullified and or a Jinn to be expelled from the body. The Quranic verses will Cause great discomfort, pain, even death to the Jinn. The Jinn normally leave the body to avoid this, but may come back later, that’s why you may recite these verses over And over till the Jinn, Insha Allah, forever departs or is killed by Allah.

For this reason, it is very important that the victim, who is afflicted with this, try to prevent the Jinn from coming back by doing the Following: -

1. Always perform prayers on time.
2. Recite Ayatul Kursi, Fatha, and last 3 Suras of the Quran.
3. Always be on Wudu (ablution); especially when you go to sleep.
4. Always be busy with remembrance of Allah and ask for forgiveness. (zikre &Dua)
5. Say “**Salamu Alikum**” when you enter your home.
6. Say “**Bissmilallah**” before you eat or drink.
7. Say” **Aouzu billah min Alkhoub wal khaba es**” before you take your clothes off and when you enter the restroom.
8. Married couples must recite the previous and the following supplication before they approach each other “**Bissmillah, Allah-huma Janibna AL Shai-ttan was Janib AL Shai-ttan Ma Razaqtina**”
9. Never be around pictures, statues or dogs where ever you’re staying and do not listen to music; listen to Azzan and Quranic recording instead.

The following verses can be recited on Olive oil, ZamZam, Sidr, or Sena water or directly on the victim. After reciting the following verses on the olive oil or water, let the victim drink from it then wash the body with the rest.

The Person who is trying to remove or nullify the Jinn and or Magic, must have strong believe in Allah, and protected himself by reciting the previously mentioned verses and has Wudu prior to seeing or talking to the victim.

If the victim is a **female**, she must be covered and in the presence of her family or guardian. You are not allowed to **touch or be alone with her**, if she is not your *Mahrum*. (Meaning: if she is not your wife, sister, aunt, mother, grand mother or niece, ***then it is forbidden to be alone with her.***)

Important Note:

If you make Azzan (Prayer Call) the Devil will immediately leave the body and or the area where Azzan is being called then will come back afterwards, *so don't be tricked.*

As Narrated by Abu Huraira:

Allah's Apostle said, "When the Adhan is pronounced Satan takes to his heels And passes wind with noise during his flight in order not to hear the Adhan. When the Adhan is completed he comes back and again takes to his heels when The Equamat is made for prayers"

The Quranic Treatment To Sorcery, Magic and Possessions

“O ye Children of Adam!
Let not Satan seduce you”

This is the first book of its kind that was written in the English language with the intention to be used as a complete spiritual resource guide to prevent, treat or nullify magic spells, satanic possessions, anxiety, envy, evil eyes, depression, nightmares and insomnia. Even though it is written from an Islamic perspective, non-Muslims will find this book to contain a wealth of priceless information, while being concise and to the point. The book also includes free access to an Internet website, where you can download specific audio files, which, if played, will cleanse haunted places, expel devil possessions and remove magic spells.

A must, to have and read!
