

The eighth question of Fatwa no. 7804

Q 8: Sometimes I fear getting sick, what should I do?

(Part No. 1; Page No. 379)

A: You have to trust in Allah, rely on Him, and ask for His forgiveness, good health in the world and in the Hereafter. Likewise, perform more good deeds and avoid the causes of sickness. You may also visit doctors in public hospitals or private clinics to ask them about the symptoms you feel. May Allah help you.

May Allah grant us success. May peace and blessings be upon our Prophet Muhammad, his family, and Companions.
