

(Part No. 1; Page No. 466)

The fourth question of Fatwa no. 6793

Q 4: I heard a professor saying that Prophet Muhammad (peace be upon him) was created from the Light of Allah, is this true?

A: This statement is not correct, for it opposes both Nusus (legal texts) and reality. Proof, senses, and logic indicate that he was born to a father i.e. `Abdullah ibn `Abdul-Muttalib and a mother i.e. Aminah bint Wahb and his lineage is well known.

May Allah grant us success. May peace and blessings be upon our Prophet Muhammad, his family, and Companions.
