

Fatwa no. 13481

Q: If a person donated a sum of money on behalf of himself and his family as a contribution with some people for building a Masjid (mosque), is this to be considered a Sadaqah Jariyah (ongoing charity) for every one of them?

A: Spending money on building a Masjid or participating in building it comes under Sadaqah Jariyah whose reward will be deserved by its doer or by whoever it is done on behalf of, provided that there is a sincere intention and that this money is earned lawfully.

May Allah grant us success! May peace and blessings be upon our Prophet Muhammad, his family, and Companions!
