**The third question of Fatwa no. 16814**

**Q 3: Does the Wudu' (ablution) of a woman become nullified if she touches her baby's private parts while washing him or her?**

**A:** Wudu' is nullified when a woman touches her baby's private parts, whether the front or back passage, without a barrier. The Prophet (peace be upon him) ordered anyone who touches private parts to perform Wudu'.

May Allah grant us success! May peace and blessings be upon our Prophet Muhammad, his family and Companions!
