

Fatwa no. 5807

Q: I have read your opinion on the prohibition of image making and I have a question in this regard. What is the ruling on the present televised images of moving objects which we watch on TV and videotapes

(Part No. 1; Page No. 675)

and which can be kept for quite a long period of time?

A: The ruling on photographs is general and includes the kinds you mentioned in the question. May Allah grant us success. May peace and blessings be upon our Prophet Muhammad, his family, and Companions.
