

Conspiracies of Iran's Mullahs and Government against pilgrims and the dignified Ka`bah

A black history and malicious creed

By: Khalid bin `Abdur-Rahman bin Hamad Al Shaya

All praise be to Allah who cherishes those who obey and fear Him and humiliates those who calumniate and disobey Him. And peace be upon our Prophet Muhammad, his family, his Companions, and everyone follows his guidance.

Observers of Hajj to the Sacred House of Allah notice that the Iranian government in Teheran is infatuated with deliberate killing of pilgrims, roiling Hajj, inciting riots, and the sacrilege of *Al-Haramayn Al-Sharifayn* (the Two Sacred Mosques: the Sacred Mosque in Makkah and the Prophet's Mosque in Madinah) and violating their sanctity.

This calls to question the motives of this crime and its historical link with those who followed the same course like the Magi, *Qaramitah*, and suchlike.

A black history:

The Iranian regime share the same qualities with those who preceded it from among the people of deviant creeds like the *Qarmatians* and what they did in Makkah in 317 AH when they killed pilgrims and threw them in the well of *Zamzam*. They took out the gate of the *Ka`bah*, pulled down its covering, took out the Black Stone, and moved it to their territories in Bahrain and remained there for 22 years until Allah destined to bring it back in 339 AH. Since the establishment of what so-called the Islamic revolution in Iran and the rise of Mullahs to power, they have been infatuated with spreading apostasy and corruption in *Al-Haramayn Al-Sharifayn* and deliberate killing of pilgrims by vile conspiracies where they used to exploit the season of Hajj to send ruiners among Iranian pilgrims including leaders of the revolutionary guard to execute missions other than Hajj. History and the Muslim nation is a witness to that.

History records the synchronization of deliberate killing incidents of pilgrims along with the launch of Khomeini revolution in Tehran which is obvious to the entire world and recorded by pictures and videos which document these crimes in Makkah and Medina. There is no season of Hajj since Khomeini's revolution until now but the Iranian governments are plotting and planning to kill pilgrims and disturbing Hajj whether through its official Hajj delegation or through its agents who execute these despicable acts as happened in the past years when it boycotted Hajj.

Hajj or war:

The official Hajj delegation comes from Tehran to bring with them evil, murder, and devastation.

At a time when pilgrims come from the Muslim world seeking Allah's Forgiveness and Mercy, Tehran sends its soldiers and agents to achieve despicable purposes and criminal objectives. It has provided them with explosives and killing tools. Up to the current season of Hajj 1436 AH, the Iranian regime has killed thousands of pilgrims

during the seasons of Hajj as documented by statistics and evidence.

Tehran's mullahs have violated the sanctity of *Al-Haramayn Al-Sharifayn*, repeated the words of atheism in Haram, and underestimated the status of the Prophetic Masjid without paying attention to the Prophet's sanctity by demonstrating and making a clamor near his grave during which they raised the photos of Khomeini and chanted phrases in loud voices that glorify him as Muslims glorify Allah (God forbid). We are still awaiting the results of the investigation of Mina stampede that took place this year as many fingers pointing charges to Tehran.

The ultimate goal of Tehran is the *Ka`bah*:

Mullahs ruling in Iran derive their criminal record from malicious creed rejected by all Muslims and any reasonable human being. They have tried to spread their scheme under the guise of loveable slogans to Muslims such as the love the Prophet's family and the "Islamic revolution" which brought Khomeini to power in Iran. Many Muslims were deceived by that revolution believing that it will be better for Muslims, but time has proved it was a poisoned dagger stabbed in many places of the body of the Muslim Nation.

Dr. *`Abdul-Mun`im Ahmad An-Nimr*, the undersecretary of *Al-Azhar* and the Minister of *Awqaf* had done well in recording the conspiracies against the *Ka`bah* with historical documents supported by his wide knowledge as well as his teaching in Indian universities where he recorded many false creeds and wrote that in his valuable book entitled: "The plot against the *Ka`abah* from the *Qarmatians* until Khomeini." Due to this book, the Iranian government directed threats to his Excellency (may Allah bestow mercy on his soul).

He explained that history is a witness that nobody dared to destroy the dignity of *Ka`bah* and directing people away from it except three senior criminals.

I: *Abraha*, the Ethiopian.

II: Bahrain's King *Sulayman bin Hassan Al Qarmati Abu Tahir Al Janabi*, the Bedouin in the year 317 AH.

III: Khomeini: *Rawhullah bin Mustapha Al Hindy*, in more than an attempt during the Hajj season especially 1406 AH / 1986, and the Hajj season in 1407 AH / 1987 when he sent high explosives with his agents to the Haram within the bags of pilgrims. Had not it for the Mercy of Allah, destruction and sabotage would have reached the dignified *Ka`abah* and the Grand Mosque in Makkah and the action of the Qarmatians would have been repeated.

As shown above, the destruction of the *Ka`bah* or canceling its historic goal has been a historical *Magian*, national, and Persian goal according to many Iranian politicians' documents and writings, such as: "Statements in national strategy," the Iranian and the Persian by his author Dr. *Muhammad Javad Larijani*, the theorist of the Iranian regime. The prominent statements in his book is what he called "Iran, the mother of villages theory" which represents the main pillar of the Iranian foreign policy. This theory does not recognize Makkah as the center for Muslims and the direction of their hearts, but Iran represented in Qum and Tehran must be the center of leadership to the Muslim world. They also see that everyone must subject to the power of the *Faqih* (Mullah or Iran) and that the Iranian Qum is the center of villages and the abode of Islam not Makkah nor Medina under the guise of the unity of the Muslim world.

Due to the knowledge of the politicians of Tehran that the dignified Makkah shall remain as long as the *Ka`bah* remains, the Iranian conspiracies towards *Ka`bah* are the key goal of all methods and plots even if the price is pure dead bodies of pilgrims. Tehran is dreaming of having a hand over *Al-Haramayn Al-Sharifayn* to achieve its conspiracies, but before the immune fort of the Saudi government, which is supported and revered by one and half billion Muslims worldwide, all its dreams have gone away. So, Tehran has become isolated, therefore it tried desperately and falsely to convince Muslims that KSA is unable to provide security and safety to the *Al-Haramayn Al-Sharifayn* as well as their visitors. So, it plotted and made up crimes against pilgrims and plotted to burn the *Ka`bah* and destroy it by placing demolitions inside the Sacred Mosque, but Allah spoilt the plots of the wicked Iranian groups.

Allah (Glory be to Him) will show the failure of Tehran's mullahs and their plots against *Al-Haramayn Al-Sharifayn* and their malice against pilgrims. Allah (Glory be to Him) says: "Or do those in whose hearts is a disease (of hypocrisy), think that Allâh will not bring to light all their hidden ill-wills?" [Surat Muhammad: 29].

Iran is a conspiring government and suppressed people:

The problem is not in the Iranian people or its ethnic groups, Iranian pilgrims before the establishment of the so-called Islamic Revolution - as mentioned by specialists - were from the nicest types of pilgrims and the most kind in treatment, but when Khomeini began the revolution, he turned pilgrims to envoys of demolition, killing, destruction, and sacrilege. Tehran is still sending its agents to many countries to cause plots and explosions turning the reputation of Iranians globally bad. Furthermore, the Iranian people have lived in poverty and low-living standards despite their abundant wealth and the natural resources of Iran, but they were spent on destruction, sabotage, and the support of criminal allied militias in Lebanon, Syria, Yemen, and others.

Wicked Iranians should know that *Al-Haramayn Al-Sharifayn* are protected by Allah despite their malice. Allah Almighty says: "And whoever inclines to evil actions therein or to do wrong (i.e. practise polytheism and leave Islâmîc Monotheism), him We shall cause to taste from a painful torment." [Surat Al Hajj: 25].

Allah (Glory be to Him) says: "Allâh will surely make it of no effect. Verily, Allâh does not set right the work of Al-Mufsidûn (the evil-doers, corrupters)." [Surat Yunus: 81].

Allah has set a clear example to humanity in glorifying His Sacred Mosque by destroying the companions of the elephant when they wanted to destroy the *Ka`bah* as Allah narrated their story in Surat Al Fil and made them a bad example to others.

May Allah send peace and blessings be upon our Prophet Muhammad, his family, his Companions, and those who follow him.
