The second question of Fatwa No. 10909

Q2: How can Rizq (provision) be provided and determined by Allah when I can increase my daily work to attain more Rizq? How can Rizq be decreed and determined for me so that I can not increase or decrease it?

Are there any books that deal with these issues in order to guide us?

A2: Rizq is from Allah. He creates, determines, gives, bestows and provides the means for gaining it. A servant follows direct causes whether they are easy or difficult, a lot or a little. Allah predestines and provides the means out of His Mercy. Therefore, Rizq is ascribed to Allah with regard to predestining and granting a servant the causes and means to his gain.

May Allah grant us success. Peace and blessings be upon our Prophet Muhammad and upon his family and Companions!
