Managing the Universe

First question in the Fatwa no. (9272) :

Q1: Is a person who believes that anyone other than Allah can manage the universe considered a Kafir (disbeliever)?

A1: Whoever believes this is considered a Kafir, because he has associated partners with Allah in His Lordship. He is even more disbelieving than many of the Mushrikun (those who associates others with Allah in worship).

May Allah grant us success! Peace be upon our Prophet Muhammad, his family and Companions.
