Allah is our Rabb.\*

He is One,  
and the Only Rabb.

All that is in the heavens  
and all that is on the earth  
belong to Allah.

\*Rabb has many meanings of which some are, the Creator,  
the Provider, the Nurturer (The One Who looks after us).

Our Creator

Our Creator

He has no mother, no father,  
no son or daughter.

We all need Him, but He  
does not need us.

And there is nothing  
like Him.

Our Creator

A vibrant illustration of a tropical beach. In the foreground, several green palm fronds are visible, some on the left and some at the bottom. The middle ground shows a wide, sandy beach in shades of orange and yellow, leading to a calm blue ocean. The sky is a clear, light blue, filled with soft, white, fluffy clouds. The overall style is bright and serene.

Allah, no one has the right to  
be worshipped but Him.

He is the Ever-Living,  
and He does not die.

He is always watching us.  
He never sleeps or gets tired.

He looks after everyone  
and everything.

And Allah, knows about  
everything we do.

Our Creator

Our Creator

Allah knows what will  
happen to us in this world,  
and what will happen to us  
when we die.

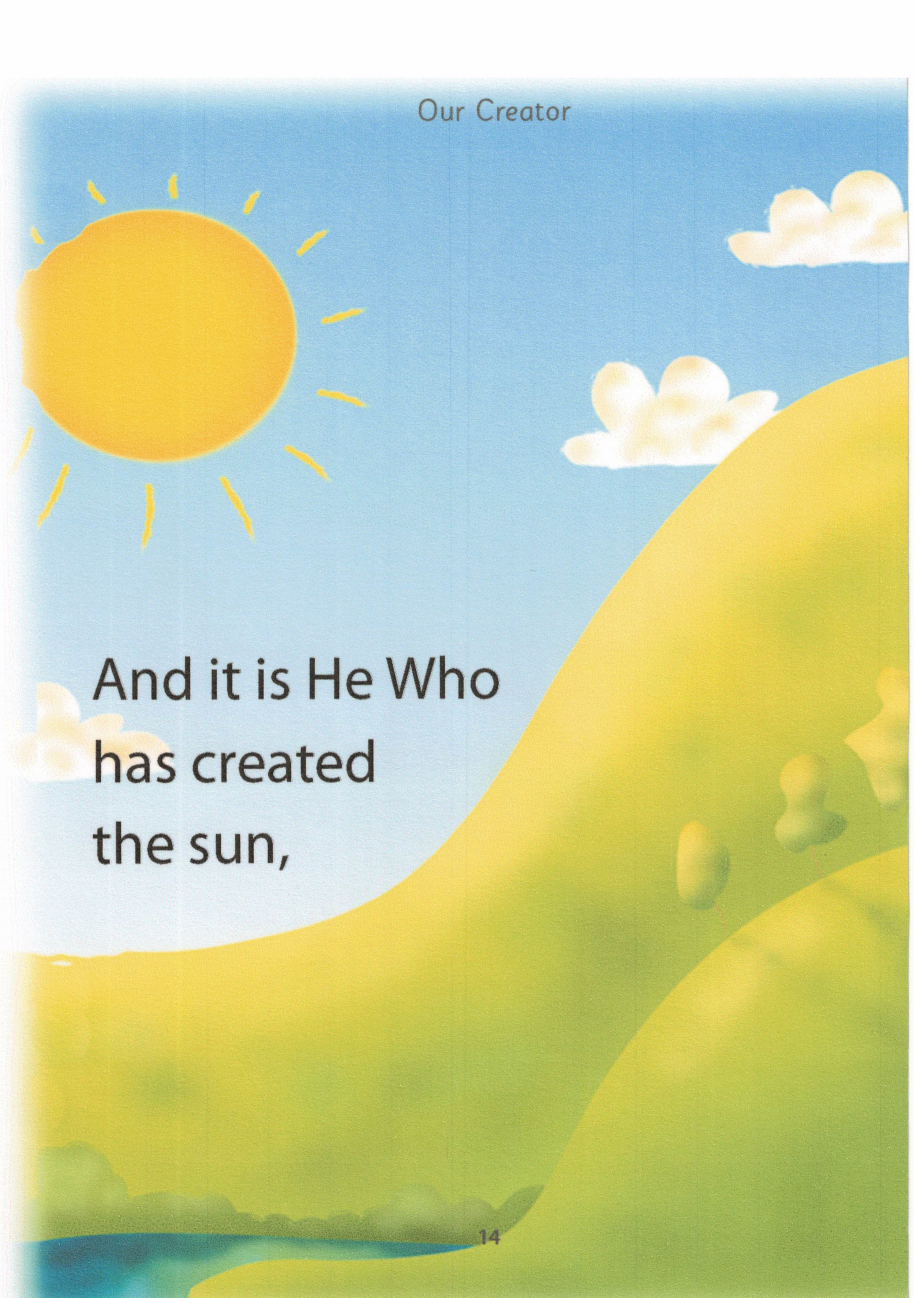

We only know about Allaah,  
what Allah has told us  
about Himself.

Allah is the Most High,  
the Most Great.

It is Allah Who has created  
the heavens and the earth.

# Our Creator

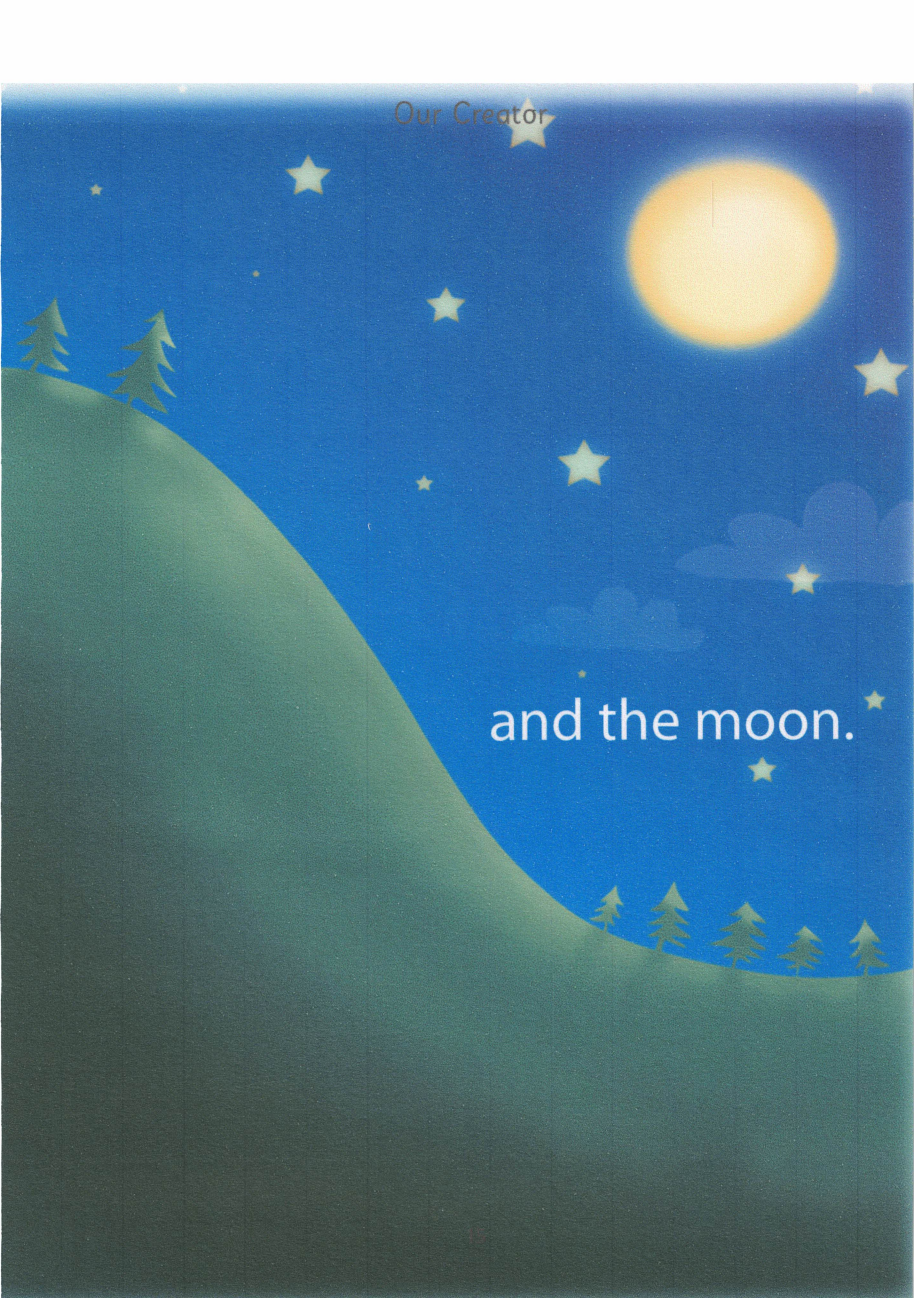

And it is He Who  
has created  
the sun,

Our Creator

and the moon.

Our Creator

Allah made the sea, so that it  
can carry the ships, that sail  
from one place to another.

Our Creator

It is Allah who sends down  
the rain from the sky, so that  
the earth comes alive,  
after its death.

Our Creator

And it is He Who provides for  
all the living creatures that  
live on the earth.

Our Creator

It is Allah Who sends down  
the wind sometimes as a  
blessing and sometimes  
as a punishment.

Our Creator

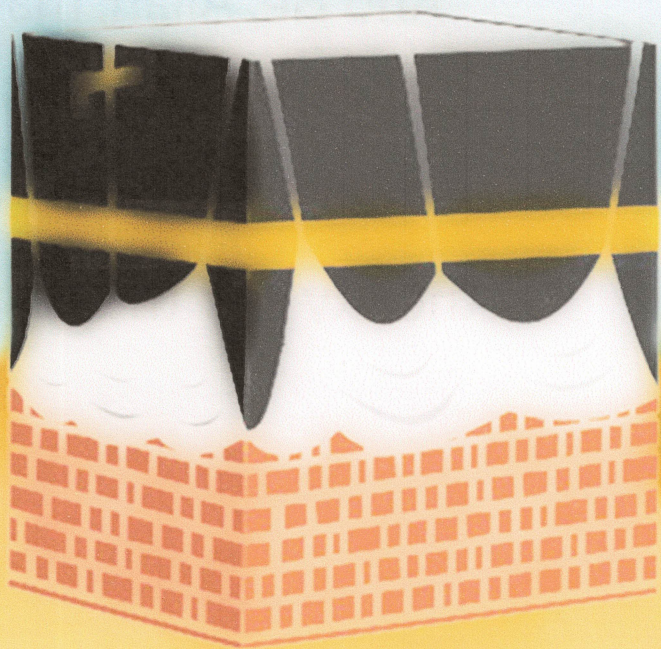

## Our Creator

And He, Allah, made  
the clouds which  
are held between  
the sky and the earth.

## Our Creator

These are a few signs  
that show us how Allah,  
our Creator, creates us,  
nurtures us,  
and controls our affairs.

We must worship Allah  
Alone and obey Him. And we  
must not worship anything  
with Him, or other than Him.

Alhamdulillah! All Praise and  
Thanks are to Allah.
