Student: No, no, I can get there, in'sha'allaah, the brothers will drop me, bi idhnillaah.

Shaykh al-Albaanee: Even though your answer is more complete [than the last one you gave] you still haven't answered fully.

Student: There are some brothers who study with Shaykh 'Alee who will drop me to the airport.

Shaykh al-Albaanee: Ya'nee, did they say that to you?

Student: Yes.

Shaykh al-Albaanee: And they promised you?

Student: Ya'nee, they didn't confirm it fully but on the basis that I sort it out with them tomorrow.

Shaykh al-Albaanee: Okay, I'm saying for sure that if you're not able to sort it out I am ready [to drop you].
