The Imaam said, "You should be aware that seeking refuge with Allaah [al-isti'aadhah] for reciting the Qur'aan is to be done before [actual] recitation, as for seeking refuge with Him [تعالى] when [just] quoting an Aayah then it is an innovation which is in opposition to the Sunnah. Note when you read the hadeeths in which the Prophet ﷺ quoted an Aayah as proof you won't find him ﷺ saying, 'A'uthu billaahi minash-Shaitaanir-Rajeem.'"
