In the name of Allaah, the Most Merciful, the Bestower of Mercy

“Ibn Mas’ood, may Allaah be pleased with him, saw a man supplicating to Allaah while holding a stone, so he said, ‘When you beseech your Lord for some good then don’t ask Him while you have a stone in your hand.’”<sup>1</sup>

**Shaykh Abdur-Razzaq al-Badr said,** ‘Such things in their hands would weaken their devotion when supplicating. What have mobile phones done to the hearts then and how much have they turned away and hindered people from the Knower of the Unseen?’”<sup>2</sup>
