**Question:** If the Jumu'ah sermon is delivered from a Soofee and he propagates Shirk during his sermon, do the Angels listen to the Dhikr?

**Shaykh Abdul Muhsin** (حفظه الله)<sup>1</sup>: It is well-known that this is falsehood, and this is not Dhikr; this is evil. I say; the likes of this is evil. Thus the Angels and likewise the people upon the truth listen to the Dhikr that which obedience and that which is Tawheed. As for the Satanic Dhikr, the Shaytaan congregates for this. I say; the likes of this is attended by the devils.
