Question: The final question, is it permissible for us to prevent Tableeghee Jamaat from giving da'wah in our Masjid?

Shaykh 'Abdul-Muhsin al-'Abbaad (حفظه الله)¹: Tableeghee Jamaat is in need of da'wah, they need to be given da'wah, and enlightened, with Tawheed and 'Aqeedah, and with what the Salaf of this Ummah were upon. Therefore, you give them da'wah and enlighten them, and direct them to that which is correct because they are overcome with ignorance. Therefore help them to reach the good and give them understanding in the religion.
