بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

In the name of Allaah, the Most Merciful, the Bestower of Mercy

Shaykh Abdur-Razzaq al-Badr, said,

“Abdullah ibn Mas’ood, may Allaah be pleased with him, said, ‘The emptiest houses are the ones most void of the Book of Allaah,’¹ i.e., the houses having the least amount of good and blessings in them are the ones where the Book of Allaah is not recited, which is something which wipes out the blessings of a house and draws the devils to it.”

¹ [Musannaf Ibn Abee Shaibah, 30024]
