In the name of Allaah, the Most Merciful, the Bestower of Mercy

**Question:** What is meaning of Mas, i.e. jinni touch of man? What are its symptoms and how to treat it according to Sharee'ah?

**Shaykh Abdul-Azeez ibn Baaz** (رَحْمَةُ اللَّهِ)<sup>1</sup>: Mas refers to the jinn touching of a person with epilepsy. Allaah (Glorified and Exalted be He) says: [**Those who eat Ribaa** (usury) **will not stand** (on the Day of Resurrection) **except like the standing of a person beaten by Shaytaan** (Satan) **leading him to insanity**]. It may be treated by the Qur'aan, Prophetic supplications, admonition, reminding, encouragement and intimidation. Allaah is the One Who grants success!
