In the name of Allaah, the Most Merciful, the Bestower of Mercy

Shaykh al-Albaanee (رَحْمَةُ اللَّهِ): "As for training them [i.e., women] in combat and sending them to the battlefield to fight alongside men like some Islaamic countries do these days, then it is a present day innovation, a false, communist innovated misinterpretation, and clear opposition to what our Salaf as-Saalih were upon, and is to ask women to do something they were not created for, and to expose them to things that do not befit them if they were to fall captive to the enemy, and we ask Allaah for His Help."
