Shaykh Muhammad ibn Saalih al-'Uthaymeen (May Allaah have mercy on him)

[Liqaa Bab al-Maftooh no.2]

Translated by Faisal Ibn Abdul Qadir Ibn Hassan Abu Sulaymaan

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

In the name of Allaah, the Most Merciful, the Bestower of Mercy

Question: What is the ruling on drumming on a table or other than it?

Shaykh Muhammad ibn Saalih al-'Uthaymeen (May Allaah have mercy on him): "Making a rhythm on the table and what resembles that, the least that can be said is that it is disliked because it resembles beating on instruments".
