بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

In the name of Allaah, the Most Merciful, the Bestower of Mercy

If a person who makes Musaylimah al-Kaththaab (the false prophet) a partner in prophethood (together with the Prophet, may peace and blessings be upon him) is a disbeliever; then how can a person who makes a created being a partner in the worship of the Creator, Glorified is He, and sets him up as a rival to Allaah, seeks deliverance from him the same way that he seeks deliverance from Allaah, invokes him alongside Allaah, hopes in him, seeks refuge with him in all of his affairs, offers sacrifices for him and makes vows for him... not be a disbeliever!?!

قال سليمان بن سحمان رحمه الله

فإذا كان من أشرك مسيلمة الكذاب في النبوة يكون كافراً، فكيف لا يكفر من أشرك مخلوقاً في عبادة الخالق سبحانه، وجعله نداً لله، يستغيث به كما يستغيث بالله، ويدعوه مع الله، ويرجوه، ويلجأ إليه في جميع مهماته، ويذبح له، وينذر له مع الله!؟
