

Fatwa no. 2035

Q: I got angry with my wife one day and took her to her father's house. I did not say anything, even though I intended to divorce her later. However, I have not divorced her up till the present time. Now she is pregnant. What is the ruling on that?

A: If the reality is as you mentioned, the woman is still your wife, and taking her to her family is not considered divorce. May Allah grant us success.

May peace and blessings be upon our Prophet Muhammad, his family, and Companions.
