

Fatwa no. 2791

Q: I married the daughter of my paternal uncle. One day she got angry with me and went to stay with her family. I delegated one of her relatives to end the matter [divorcing her on my behalf], but he did not take any action. As I intend to take her back in marriage, her father has asked me to bring him a document that she is still my wife. I am asking you to help me with that.

A: If the reality is as you mentioned, no divorce has taken effect and she is still your wife.

May Allah grant us success. May peace and blessings be upon our Prophet Muhammad, his family, and Companions.
